Artwork Requirements

Digital Art:

- Artwork intended for spot-color imprinting must be camera ready, color matched at correct size, including type. We require vector artwork created in a program such as Illustrator or Corel Draw, saved in .eps, .ai, .pdf or .cdr format.
- All fonts must be converted to outlines or curves.
- Artwork intended for 4-color process imprinting must be 300+dpi and pre-sized. We accept .tif, .ai, .pdf, .eps & .cdr files.

Hard Copy:

- Hard copies intended for scanning must be camera-ready and color separated to size, including type. Halftone artwork must be 75 dpi and to size.
- Artwork that is not considered clean art will require art recreation at \$100 (P)/hour (1 hour minimum charge) or typesetting charges \$60(P).
- Please do not send .doc, .jpg or Quark files. Artwork is screened at 75dpi.
